WHEREAS, the most feasible method of financing the acquisition, construction, installation and development of the Project is by the issuance of an aggregate principal amount not to exceed \$87,250,000 of Development Authority of Fulton County Taxable Revenue Bonds (111 JWD Holdings, LLC Project), Series 2020 (the “Bonds”); and

WHEREAS, under the terms of the Lease Agreement, the Issuer will receive specified rents and other payments from the Company, which said payments shall be assigned and pledged, together with the Lease Agreement itself, all rental payments and other payments to be received pursuant to the Lease Agreement, and all amounts on deposit from time to time in the “Bond Fund” and the “Project Fund” (as such terms are defined in the Lease Agreement) as security for the payment of the principal of and interest on the Bonds; and

**WHEREAS**, the Bonds are to be secured by a Guaranty Agreement (the “**Guaranty Agreement**”), from the Company in favor of the Trustee; and

**WHEREAS**, the Issuer, the Company and the Fulton County Board of Assessors (the “**Board**”) propose to enter into a Memorandum of Agreement Regarding Lease Structure and Valuation of Leasehold Interest (the “**Memorandum of Agreement**”), pursuant to which the Board will agree to utilize the *ad valorem* valuation methodology set forth in the Memorandum of Agreement; and

**WHEREAS**, under the terms of the Lease, the Issuer will receive specified rents and other payments from the Company, which shall be assigned and pledged by the Indenture and the Security Document, together with the Lease itself, all rental payments and other payments to be received pursuant to the Lease, and all amounts on deposit from time to time in the “**Bond Fund**” and the “**Project Fund**” (as such terms are defined in the Indenture) as security for the payment of the principal of, and the redemption premium (if any) and the interest on, the Bonds; and

**WHEREAS**, the Project is expected to create jobs in the County; and

**WHEREAS**, after careful study and investigation of the nature of the Project, the Issuer hereby determines that the Project may be acquired, constructed and installed as a “project” as defined in O.C.G.A. § 36-62-2(6)(N) (and not a “project” described in O.C.G.A. §36-62-2(6)(J) or in any other provision of the Act defining the term “project” or authorizing “projects”); the Project will develop and promote trade, commerce, industry and employment opportunities for the public good and the general welfare within the County and will promote the general welfare of the State; that the Project and the issuance of the Issuer’s revenue bonds to acquire, construct and install the Project will be in the public interest of the inhabitants of the County and of the State and will be in furtherance of the public purposes for which the Issuer was created and is existing, as provided in the Act, and that the Project and the Bonds will be sound, feasible and reasonable; and

**WHEREAS**, the Issuer desires to elect to waive the requirements of O.C.G.A. § 36-82-100, requiring a performance audit or performance review to be conducted with respect to the Bonds, and in connection therewith, to include language, in bold face type, in the Notice to the Public regarding the validation hearing for the Bonds stating that no performance audit or review will be conducted; and

**WHEREAS**, the Issuer further finds that (i) the adoption of the Bond Resolution and the subsequent issuance of the Bonds to acquire, construct and install the Project does not constitute a “business loan” or confer any other “public benefit” within the meaning of O.C.G.A. § 50-36-1 and (ii) neither the Company nor any other participant in the transaction involving the Bonds or the Project and their respective counsel constitute an “applicant for public benefits” within the meaning of O.C.G.A. § 50-36-1 in connection with the issuance of the Bond; therefore, such persons are not subject to Systematic Alien Verification of Entitlement pursuant to such code section in connection with the issuance of the Bond; and

**WHEREAS**, the Issuer further finds that the Project is not a public project and is therefore not subject to the Georgia Local Government Public Works Construction Law (O.C.G.A. Sec. 36-91-1 *et seq.*); and

**WHEREAS**, the Issuer further finds that the economic benefits that will inure to the County and its residents from the Project and the operation thereof and the payments to be made under the Lease thereof and the related purchase option in the Lease will be equal to or greater in value than the benefits to be derived by the Company that is the lessee thereof under the Lease and, therefore, the issuance of the Bonds to acquire, construct and install the Project, and the leasing of the Project to the lessee Company and the related purchase option and the execution and delivery of the Security Document involves no gratuity to the Company that is prohibited by the Constitution of the State of Georgia of 1983; and

**WHEREAS**, the proposed form of the following documents related to the Bonds are attached hereto as Exhibits:

- Exhibit A - the Indenture;
- Exhibit B - the Lease;

Those of the Bond Documents to which the Issuer is to be a party signatory are herein called the “**Issuer Documents**,” and those of the Bond Documents to which the Company is to be a party signatory are called the “**Company Documents**”; and
