FACT SHEET

April 28, 2026

Purpose: To approve an incentive supporting the development of Project MAPCO, a proposed 1.6 million square-foot Class A logistics and light manufacturing industrial park in South Fulton. The Project would deliver modern industrial space across three buildings designed to support warehousing, distribution, cold storage, and light manufacturing uses. The development is expected to attract high-credit tenants, generate substantial employment opportunities, significantly expand the local tax base, and further position South Fulton as a premier industrial destination in the Southeast.

Project Owner: KMT Partners, LLC

Location /Taxing Jurisdictions: Fulton County/ Fulton Schools/ City of South Fulton

Investment: \$220,000,000

Estimated Closing Date: 3rd Quarter 2026

Description: Project MAPCO is a proposed 1.6 million square-foot, Class A industrial development located at Old Senoia Road and Spence Road in the City of South Fulton, Georgia. The Project would be developed across approximately 188 acres and consist of three state-of-the-art logistics buildings. The site is strategically positioned at the convergence of several major industrial corridors which would enhance the Project’s ability to attract regional and national tenants requiring efficient logistics access. The Project is anticipated to include significant site and infrastructure improvements, as well as incorporated greenspace. Upon completion, the Project is expected to create up to 2,000 jobs, including 1,500 new permanent and 500 temporary construction jobs. The project is projected to increase annual property tax revenues by a substantial margin relative to current levels. The project represents a significant investment in underutilized land and is expected to catalyze continued industrial growth within the South Fulton submarket.

- Economic Benefits:**
- Capital Investment of \$220,000,000
 - MAPCO plans to create 1,500 new permanent and 500 temporary construction jobs.
 - Overall economic impact of approximately \$2.5 billion for the capital investment of \$220,000,000¹
